COUNTY OF LOS ANGELES FISH AND GAME COMMISSION

LOS ANGELES COUNTY FISH AND GAME COMMISSION INFORMATION FOR GRANT APPLICANTS

THE COMMISSION

The Los Angeles County Fish and Game Commission is an advisory body for the Los Angeles County Board of Supervisors and the Fish and Game Warden regarding the propagation and protection of fish and game in Los Angeles County and the State of California. It was created by authority of a resolution adopted on February 26, 1952 under Chapter 3.26 and Chapter 6.44 of the Los Angeles County Code. The Commission administers and makes recommendations for the disbursement of funds received from fines for violations of the Fish and Game Code within the County of Los Angeles. Grant making is based on the availability of funds, geographical and categorical considerations and a thorough evaluation of the information provided by applicants. The Commission meets quarterly, but grant applications may be submitted at any time.

POLICY AND OBJECTIVES

The policy of the Los Angeles County Fish and Game Commission is to encourage the conservation and maintenance of wildlife resources in conjunction with Sections 1801 and 13103 of the California Fish and Game Code. This policy includes the following objectives:

- To enhance Fish and Game activities including propagation, protection and restoration
- To support Fish and Wildlife projects
- To further Research and Education in areas related to Fish and Wildlife

One Page Project Summary

Kenneth Hahn State Recreation Area Day of Fishing. The date will provide an opportunity to the people in the community of Baldwin Park, Culver City and parts of the Crenshaw District. This event is a positive and productive one for this community.

This event will be held in the Second District.

Background on Applicant:

Purpose and goals: Provide fish for a day of fishing at Kenneth Hahn State Recreation Area. The date for the community event is November 21, 2015.

Brief summary of current activities: The facility offers daily fishing for the public. The event is geared to provide a day of fishing, teaching techniques of fishing to the youth, and adults in the community.

Geographic area served: The program will serve the demographic area of Baldwin Hills, Culver City and parts of the Crenshaw District Area.

Major sources and dollar amounts of corporate, foundation and government support during current and past fiscal year:

Fish and Game has provided the Fishing Resources for the facility, up until April 2016.

History of all grants received from the Los Angeles County Fish and Game Commission: None

Project Information

Statement of justification of need: Fish will be used for the 2nd District Day of Fishing Event to be held at Kenneth Hahn State Recreation Area.

Statement of purpose and goals: To provide a positive and productive fishing event for the people in the community and around Kenneth Hahn State Recreation Area.

Action plan to meet objectives:

- a) Promote the event with the people in the community
- b) Set up training stations to teach the participants how to fish.
- c) Allow the participants to show their skills on what they learned in the training at our lake

Statement of how the objectives advance the propagation and protection of fish and wildlife: N/A

Project budget and timetable: The event is held for one day. This will allow Youths and Adults to come together and have a fun and productive day.

Sources of other support for project: Whittier Narrows Fishing Club will assist with the training and teaching steps. This will allow us to have a productive program.

Current status of project: The project/event is in the planning stage at the current time.

Cash flow analysis of the expenditure of project funds: None

Proposed method of evaluating results: Getting feedback from the community and those in attendance on the day of the event.

Plans for funding on-going project (if applicable): Try to create funding for next year's event.

CALIFORNIA FISH AND GAME CODE

§ 13103. Expenditures from fish and wildlife propagation fund; purposes

Expenditures from the fish and wildlife propagation fund of any county may be made only for the following purposes:

- (a) Public education relating to the scientific principles of fish and wildlife conservation, consisting of supervised formal instruction carried out pursuant to a planned curriculum and aids to education such as literature, audio and video recordings, training models, and nature study facilities.
- (b) Temporary emergency treatment and care of injured or orphaned wildlife.
- (c) Temporary treatment and care of wildlife confiscated by the department as evidence.
- (d) Breeding, raising, purchasing, or releasing fish or wildlife which are to be released upon approval of the department pursuant to Sections 6400 and 6401 onto land or into waters of local, state or federal agencies or onto land or into waters open to the public.
- (e) Improvement of fish and wildlife habitat, including, but not limited to, construction of fish screens, weirs, and ladders; drainage or other watershed improvements; gravel and rock removal or placement; construction of irrigation and water distribution systems; earthwork and grading fencing; planting trees and other vegetation management; and removal of barriers to the migration of fish and wildlife.
- (f) Construction, maintenance, and operation of public hatchery facilities.
- (g) Purchase and maintain materials, supplies, or equipment for either the department's ownership and use or the department's use in the normal performance of the department's responsibilities.
- (h) Predator control actions for the benefit of fish or wildlife following certification in writing by the department that the proposed actions will significantly benefit a particular wildlife species.
- (i) Scientific fish and wildlife research conducted by institutions of higher learning, qualified researchers, or governmental agencies, if approved by the department.
- (j) Reasonable administrative costs, excluding the costs of audits required by Section 13104, for secretarial service, travel, and postage by the county fish and wildlife commission when authorized by the county board of supervisors. For purposes of this subdivision, "reasonable cost" means an amount which does not exceed 3 percent of the average amount received by the fund during the previous three-year period, or three thousand dollars (\$3,000) annually, whichever is greater, excluding any funds carried over from a previous fiscal year.

- (k) Contributions to a secret witness program for the purpose of facilitating enforcement of this code and regulations adopted pursuant to this code.
- (l) Cost incurred by the district attorney or city attorney in investigating and prosecuting civil and criminal actions for violations of this code, as approved by the department.
- (m) Other expenditures, approved by the department, for the purpose of protecting, conserving, propagating, and preserving fish and wildlife.
